DISCOUNT OFFERS ARE NOT INSURANCE. They are not benefits under your health plan. You get access to discounts off the regular charge on products and services offered by third-party vendors and providers. Aetna makes no payment to the third parties — you are responsible for the full cost. Check any health plan benefits you have before using these discount offers, as those benefits may give you lower costs than these discounts. Vendors and providers are not agents of Aetna and are solely responsible for the products and services they provide. Discount offers are not guaranteed and may be ended at any time. Aetna may get a fee when you buy these discounted products and services.
